2. Today the following Brethren were present with us. B^r. Berg returned from S^t. Kitts. He arrived here with his wife and 3 children on the 17th of August accompanied by a Negroe Nurse, not belonging to our Congregation.

B^r. Clemens - Thompson, Lemmerts & Stein, going to the Cape of Good Hope, arrived Aug. 12th, as likewise B^r. Moore, who arrived in London on business.

3. B^r. La Trobe has received a Commission by a direction* in the MEC, to visit the Mission at the Cape of Good Hope, and will accompany the missionaries now departing for that Station. They will sail with the brig Albion, Capt. Bishop, which, tho' small, seems a convenient vessel, & is the only one, likely to sail this Summer. The Captain mentioned the 15th as the day of his departure, but we suppose that he will hardly be able to accomplish it. —

4. B^r. Latrobe communicated Letters from M^r. Goulburn Undersec^y of State to him & from Earl Bathurst to Lord Cha. Somerset relating to the affair of Gruenekloof. They are so satisfactory, that we cannot but feel truly thankful to our Saviour for the favour he has granted us with our Government. By a dispatch dated May 9th. 1815, the Governor is directed to place Gruenekloof upon the most secure & permanent foundation, and the utility of our Missionary Establishment in promoting the welfare of the Colony is strongly represented to him by Earl Bathurst. B. Latrobe has also written a letter to his Lordship requesting 1. Leave to build a Chapel 2, the restoration of the wood. 3, land to make a 3^d. settlement. 4. Exemption from
