*Report of  
Br La Trobe.*

3. Bf: Latrobe made a summary Report to the Society of his proceedings at the Cape and we joined in his thanksgivings to God our Saviour for the mercy & protection he & his Company have experienced both by land & sea & In performing the long Journey he made with Bf. S. Smith of Groenkloof, Bf. Stein, & W. Melville, the Government Surveyor at the Cape, to the Chamtoos Revier (See May 17. 1816) <sup>and</sup> Not finding there a suitable place for a Mission <sup>he proceeded</sup> as far as the Caffre frontier, ~~as~~ being favoured with <sup>a</sup> recommedatory letter from the Governor to the Landdrosts of Zwellendam, George & Uitenhagen, by which he obtained as many oxen, drivers & guides as he required, from station to station, free of Expence. But no unoccupied land suitable for a missionary station was found till the party arrived at the WitteRevier beyond the Sundays river. This spot was recommended by Colonel Cuyler.
